

GOOCHLAND COUNTY ELECTORAL BOARD

Revised Draft Minutes: September 10, 2015 *ES*

The Goochland County Electoral Board met on September 10, 2015 at 8:00 am.

Present: Bes Stewart, Secretary, Robin Lind, Chairman, Wanda Taylor, Vice-Chairman, Frances Ragland, General Registrar, and Tyler Lincks, ES&S/PrintElect representative.

Tyler Lincks presented training on the upgraded DS200 and the new Express Vote machines from 8:00 am to 11:30 am and from 1:00 pm to 4:00 pm. The training emphasized the machine setup and functions, but not Goochland County election policy or standards.

Following this training, the board conducted the L&A testing on one DS200 and matching Express Vote machine for use as the Central Absentee Precinct (CAP) machine. The board tested the Express Vote machine to produce two unique ballots and then tested the matching DS200 to include eight full-size paper ballots and the two smaller Express Vote ballots. The board verified and certified the results. The DS200 machine was reset for the November 3rd election for absentee voting, locked and tagged.

The testing concluded at 4:45 pm.

The Board voted unanimously to move the October meeting to 6pm.

Respectfully submitted,

Bes Stewart, Secretary
