If your vehicle has a high amount of mileage (see chart above), you may apply for a reduction in your personal property assessment. This application must be filed annually to ensure proper reduction per the sliding scale according to the NADA book. Once your mileage reaches 250,000 your reduction remains the same until the vehicle ages out. You no longer need to apply once your mileage is recorded at our office at 250,000 or more. Please use one form per vehicle. If you need additional applications, you may copy this form or locate the form on the web at www.Goochlandva.us, Click Your Government, Commissioner of the Revenue, roll to the bottom to find HI mileage form.
