TDD 711 VA Relay

Application Date: 3/11/2022

Permit Number: BP-2022-00459

GPIN/Tax Map: 6821-61-1228/18-14-0-11-0

Issued: 5-3-22

This application is not authorization to start work. No work shall start until a permit is posted on the job site. No inspections will be scheduled until the permit is issued.

Residential Commercial

This application requires two copies of construction drawings and two copies of the survey of the property (if new construction or going outside of existing footprint) showing the dimensions and shape of parcels, all new work and existing structures, and setback distances from the front, sides, and rear lot lines. Lot lines must be clearly marked prior to calling for a footing inspection.

Residential Commercial

This application is not authorization to start work. No work shall start until a permit is posted on the job site. No inspections will be scheduled until the permit is issued.

This application requires two copies of construction drawings and two copies of the survey of the property (if new construction or going outside of existing footprint) showing the dimensions and shape of parcels, all new work and existing structures, and setback distances from the front, sides, and rear lot lines. Lot lines must be clearly marked prior to calling for a footing inspection.

Application Date: 3/29/22
 Permit Number: BP-2022-00418
 GPIN/Tax Map: 7725-11-2662 / 58-54-3-88-10
 Issued: 5-17-22
 This application is not authorization to start work. No work shall start until a permit is posted on the job site. No inspections will be scheduled until the permit is issued.

This application requires two copies of construction drawings and two copies of the survey of the property (if new construction or going outside of existing footprint) showing the dimensions and shape of parcels, all new work and existing structures, and setback distances from the front, sides, and rear lot lines. Lot lines must be clearly marked prior to calling for a footing inspection.
