Dear Biosolids Specialists:

Synagro Central, LLC (Synagro), a residuals management company, is providing notice that it intends to provide biosolids to sites during this upcoming season. The sites utilized will depend upon several factors including but not limited to weather conditions, nutrient levels, crop rotations and biosolids availability. Specific information is attached to provide the location of each permitted site and the expected sources of biosolids to be applied at these sites.

Synagro is providing this information as required by VPA regulations prior to commencing land application activities.

If you have any questions, regarding this information, please call our office at 804-443-2170 ext. 1.

Sincerely,

Carolanne M. Whiteside  
Technical Services Coordinator
