Broadband/Internet Update

- Goochland received an “Unsolicited Proposal” under the PPEA for Broadband Expansion by SCS Broadband on 12/19/17
- PPEA is the Public –Private Education Facilities and Infrastructure Act, which allows a public entity to enter into a comprehensive agreement with a private entity
 - Goochland adopted PPEA Guidelines in 2008
- On recommendation of staff, the Board of Supervisors voted to consider this unsolicited proposal on 1/8/17 (This Does Not Obligate the County to Contract with SCS)
- Notice of the Unsolicited Proposal has been posted in the building, online, in the newspaper, and on the state’s procurement website

Broadband/Internet Update

- The County:
 - intends to evaluate the unsolicited proposal under the PPEA
 - will accept for simultaneous consideration any competing proposals that comply with the procedures adopted by the County and the provisions of the PPEA
- A committee of representatives from Community Development, IT, Public Safety, and Schools will evaluate all proposals
- The process will continue till late summer and includes public notice and input.

Other Broadband/Internet Activity

- The County continues to investigate potential broadband opportunities
- Talking with current and new providers about extending service into unserved and underserved areas

Example

- Central Virginia Electric Cooperative (CVEC) plans to expand broadband service to all CVEC customers over a five year time frame (includes portion of Goochland)
- Board of Supervisors adopted Broadband Objectives and Principles on 4/4/17 helping to inform providers of the County's desire to expand service

How Are We Preparing for Future Development Pressure:

- Goochland County Public Schools completed a comprehensive analysis of student growth projections and a full analysis of current facilities and future facility needs
- Goochland County completed a comprehensive Space Plan to address long-term facility needs
- A 25 year Capital Improvement Plan has been developed to prepare for future needs and development capital impacts
- A Major Thoroughfare Plan is underway to plan for transportation related impacts and improvements

How Are We Preparing for Future Development Pressure:

- Comprehensive Land Use Plan has been updated to include a Public Facilities Plan
- Commissioned the development of a Capital Impacts Model to determine the comprehensive costs of new development capital impacts
- Updated the Proffer Policy to adopt the Capital Impacts Model
- Numerous Zoning requests were deferred to gain additional insight into impacts
- A comprehensive review of the Zoning ordinance is underway
