20. NO PERSONAL LIABILITY. Nothing herein shall be construed to create any personal liability on the part of any elected or appointed official, agent, or employee of County.

21. NON-WAIVER. No waiver or breach of any terms, conditions, provisions, or covenants contained in this Contract will be construed as a waiver of any prior or succeeding breach of the same terms, conditions, provisions, or covenants.

County: County of Goochland
P.O. Box 10
1800 Sandy Hook Road
Goochland, VA 23063

Contractor: [Insert here]

Either party may change the location or individuals for receipt of notices by providing written notice to the other party.

23. OWNERSHIP. County shall have sole rights of ownership to any product, idea or property resulting from the performance of this Contract unless otherwise agreed to in writing by both parties.

24. PARTIES' RELATIONSHIP. Contractor shall be legally considered an independent contractor, and neither Contractor nor its employees will, under any circumstances, be considered employees or agents of County. County shall not be legally responsible for any negligence or other wrongdoing by Contractor, its employees, or agents. County shall not withhold payments to Contractor for any federal or state unemployment taxes, federal or state income taxes, Social Security tax, or any other amounts for benefits to Contractor. Further, County shall not provide Contractor any insurance coverage or other benefits, including workers' compensation, normally provided by County for its employees.

25. PAYMENT OF SUBCONTRACTORS. Contractor shall take one of the two following actions within seven days after receipt of County's payment for work performed by any subcontractors under this Contract:

- A. Pay the subcontractor for the proportionate share of the total payment received from County attributable to the work performed by the subcontractor under the Contract; or
- B. Notify County and the subcontractor in writing of Contractor's intention to withhold all or a part of the subcontractor's payment and the reason for nonpayment.

Contractor shall pay interest to subcontractors on all amounts owed by Contractor that remain

unpaid after seven days of Contractor's receipt of County's payment for work performed by the subcontractor under this Contract, except for amounts withheld as allowed in subparagraph (b) above. Unless otherwise provided under the terms of this Contract, interest shall accrue at the rate of 1% per month.

Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

Contractor's obligation to pay an interest charge to a subcontractor pursuant to the above provisions is not an obligation of County. Neither a contract modification nor a cost reimbursement claim will be made for the purpose of providing reimbursement for such an interest charge.

26. PAYMENT TERMS. County shall pay Contractor within 30 days after the later of receipt of a correct invoice approved by County describing completed work reasonable and allocable to this Contract, the receipt of the entire order, or the acceptance of the work which meets the Contract requirements. Payments will be made by County for goods or services furnished, delivered, inspected, and accepted upon receipt of invoices submitted or the delivery of service, subject to applicable payment terms. The number of the Purchase Order by which authority shipments have been made or services performed will appear on all invoices. Invoices will be submitted in duplicate. County purchases are authorized only if its Purchase Order is issued in advance of the transaction indicating that there are sufficient funds available to pay.

27. REMOTE ACCESS. If Contractor needs to connect remotely to County's computer network, then it shall ensure that any computer it uses to connect has up-to-date and properly configured anti-virus software and current operating system service pack and patch level. County may scan Contractor's computers to ensure compliance with county standards. If Contractor's computers present an unacceptable risk to county networks, then access to the network will be denied. Contractor access to the network will also be monitored, and any attempt to access unauthorized areas will result in denied remote access. Denial of remote access for cause does not relieve Contractor of any responsibilities under the Contract Documents. If Contractor must be in Goochland because remote access has been denied for cause, then Contractor shall bear that cost and shall not be reimbursed by County.

28. SCOPE OF SERVICES. Contractor agrees to furnish all services, labor, materials, and equipment necessary or appropriate. Contractor shall perform all tasks in accordance with generally accepted standards and shall provide to County good advice, services and consultation within Contractor's authority and capacity. Contractor shall comply with applicable regulations, laws, ordinances, and requirements of all governmental agencies. It shall be Contractor's responsibility to provide the specific services set forth in the Contract Documents.

County may order changes in the Work so long as such changes remain within the Scope of the Work or Services. If Contractor believes that any work is not within the scope of the project, is a material change, or will otherwise call for additional compensation, then Contractor must immediately notify County in writing. If County agrees, an adjustment will be made to the

Contract Documents by formal written amendment. Contractor shall not receive additional compensation until this written amendment has been signed by both parties and a county purchase order covering the additional cost is issued. If it is determined that the work in question is within the scope of the Contract Documents, then Contractor shall continue work.

No services other than those described in the Contract Documents are authorized, unless authorized by a written Amendment or by the issuance and execution of a Change Order covering the expected cost of such services. If additional services are required by County and authorized as provided above, the cost of such additional services shall be negotiated based upon the time and level of work to be performed.

29. SEVERABILITY. If any term, condition, provision, or covenant of this Contract is held invalid, illegal, or unenforceable in any respect, this Contract will remain in effect and will be construed without regard to such term, condition, provision or covenant.

30. SUBCONTRACTORS. Contractor may not use subcontractors to perform the services described herein without prior written notice to County and, if so, Contractor will include provisions in its subcontracts requiring the subcontractors hereunder to comply with the applicable provisions of this Contract.

31. SUCCESSORS AND ASSIGNS. County and Contractor bind themselves and any successors and assigns to this Contract. Contractor shall not assign, transfer, convey, sublet, or otherwise dispose of its rights, obligations, or interests under this Contract, without prior written notice to County.

32. TERMINATION FOR CONVENIENCE. County may terminate this Contract in whole or in part when such action is determined by County to be in its best interest. Any such termination will be effected by delivery to Contractor of a written notice of termination which provides at least 15 days' notice of the termination date and which specifies the extent to which performance under this Contract is terminated and the date of termination.

After receipt of a notice of termination, Contractor shall stop all work on the date specified in the notice, place no further orders or subcontracts for materials, services, or facilities except as are necessary for the completion of such portion of the work not terminated, immediately transfer all documentation and paperwork for terminated work to County, terminate all vendors and subcontracts, and settle all outstanding liabilities and claims. Contractor shall be entitled to receive compensation for all contract services satisfactorily performed by Contractor and allocable to the Contract up through and including the date of termination.

33. TERMINATION FOR DEFAULT. County shall have the right to terminate this Contract before the specified termination date if Contractor fails, as determined at County's discretion, to deliver goods or perform services required by this Contract. County shall provide written notice at least 15 days before termination takes effect. County may procure goods or services in accordance with this Contract from other sources and hold Contractor responsible for any resulting additional purchase and administrative costs.

34. TRANSACTIONING BUSINESS IN THE COMMONWEALTH. Contractor must be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the Virginia Code or as otherwise required by law. Contractor shall not allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth to be revoked or canceled at any time during this Contract. County may void this Contract if Contractor fails to remain in compliance with the provisions of this section.

35. WORKPLACE PROVISIONS. During performance of the Contract, Contractor shall abide by the following workplace provisions. If Contractor engages any subcontractor or vendor to provide services hereunder, then Contractor shall include these provisions in every subcontract or purchase order over \$10,000:

- A. Contractor shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of Contractor. Contractor shall post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. Also, Contractor, in all solicitations or advertisements for employees placed by or on behalf of Contractor, will state that it is an equal opportunity employer.
- B. Contractor shall: (i) provide a drug-free workplace for Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; and (iii) state in all solicitations or advertisements for employees placed by or on behalf of Contractor that Contractor maintains a drug-free workplace. For the purposes of this paragraph, "drug-free workplace" means a site for the performance of work done in connection with the Contract awarded to Contractor in accordance with this procurement transaction, where Contractor's employees are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession, or use of any controlled substance or marijuana during the performance of the Contract.
- C. Notices, advertisements, and solicitations placed in accordance with federal law, rule, or regulation will be deemed sufficient for the purpose of meeting the requirements of these sections.
